

Lab 1

Material and Construction

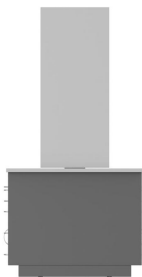

The Lab 1 is a simple experimentation lab unit made up of double laminated plywood and High Grade Mild Steel sections and plates. The unit has a table surface as well as storage shelves in both an open and closed form, and in two locations – above and below the table surface.

Features

1. Modern and Simple Design
2. Easy to Clean and Maintain
3. Built Strong
4. Easy to Transport and Assemble Onsite
